

# DUE DILIGENCE

***PLEASE COMPLETE, SIGN AND INCLUDE WITH YOUR TAX PACKET. PLEASE ALSO INCLUDE PROOF THAT YOUR KIDS LIVED WITH YOU.***

Proof can be anything with their name on it and your address with a 2021 date. School or medical records are usually the easiest to obtain, but other items work too such as bank, child care provider or clergy statements.

IRS regulations require paid tax preparers to perform a series of due diligence requirements for the Earned Income Credit, Child Tax Credit, American Opportunity Tax Credit, and Head of Household Filing Status. We believe you are/may be eligible for one or more of the credits or the filing status. As part of our engagement with you and to comply with these requirements, we ask all clients for whom returns are prepared to answer the following due diligence questions. Please respond to the questions below by entering Y (yes) or N (no).

## **Earned Income Credit - Y or N**

**American Opportunity Tax Credit- *Y or N***

As of the beginning of 2021, has the student completed the first 4 years of postsecondary education (generally, the freshman through senior years of college), as determined by the eligible educational institution?

 

For the student, has either the American Opportunity Tax credit or the Hope Scholarship credit been claimed by you or anyone else for this student for any 4 tax years before 2021?

 

\*If the American Opportunity Tax credit (and Hope Scholarship credit) has been claimed for this student for any 3 or fewer tax years before 2021, this requirement is met.

For at least one academic period beginning (or treated as beginning) in 2021, has the student met both of the following?

 

(a) Was enrolled in a program that leads to a degree, certificate, or other recognized educational credential; and

(b) Carried at least one-half the normal full-time workload for his or her course of study.

\*The standard for what is half of the normal full-time work load is determined by each eligible educational institution. However, the standard may not be lower than any of those established by the U.S. Department of Education under the Higher Education Act of 1965. For 2021, treat an academic period beginning in the first 3 months of 2021 as if it began in 2021 if qualified education expenses for the student were paid in 2021 for that academic period.

As of the end of 2021, has the student been convicted of a federal or state felony for possessing or distributing a controlled substance?

Can you provide documentation to substantiate the above answers?

 

Have you ever had any of these credits disallowed or reduced in the past?

 

We want to express our appreciation for this opportunity to work with you.

Very truly yours,

Kefauver CPA
